### “Honouring their service”

We simply had to make this event into a newsletter. On 23 April 09 an small social club in Fairfield (Sydney), took the time to gather and remember the many service men and women who didn't make it back to their families or country.

Staff dressed in appropriate uniforms so that all ADF services were represented.

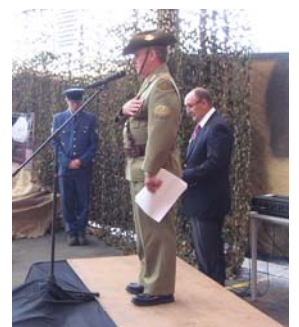

The ceremony included Wreaths and Poppies being laid.

Many staff were involved during the ceremony with readings, poems and hymns.

A full service was conducted and included: the last post; raising the flag; and staff singing hymns and National Anthem.

WO1 Mick Dunne officially opened the ceremony and recited the ode.

The Ferret was on guard.

Natasha tidying up!

The 106mm RCL with Lea & Amber.

Natasha was keen for a driving lesson after the ceremony had ended!

This is the Komatsu NSW regional branch; WO1 Dunne was impressed by their effort and enthusiasm. Our assistance was reciprocating the repainting of the GEM by Paul Rapp – Check newsletter number 24, 300808.
