"Corps Birthday 2009"

A quick catch up article, the RAE Corps birthday was held on 4th July 2009. The AAMME was again asked for assistance with having some of the heritage plant and vehicles taking part of the parade drive past. Whilst many items of equipment were the same as last year, we thought we better show you a couple that made it onto this years event – Flint & GEM.

It's now become customary that if the baby McDonald roller is on parade, the AAMME curator (WO1 Mick Dunne) is the operator.

It's always great to assist the SME in its activities, especially one so momentous. Thanks again for the invite.
