“Back to School – Wattle Grove 2009”

The AAMME recently exhibited the Ferret Scout Car and the 106mm Recoilless Rifle at the Wattle Grove School open day – 31 October 2009.

Our attendees included: Phil Hurren (MLO), Allan Peeres, WO1 Mick Dunne and Allan Preston.

There were many questions asked and the kids were keen to see inside the Ferret with the key question being; why is the space so small.

The school also presented the AAMME with a certificate of appreciation. *It is always good to get out and about within the community – Ubiq.*

Many thanks to Allan Preston for the information and pictures to enable the compilation of this newsletter.
