## "2009 – The End"

Well, the Xmas BBQ was conducted on the 5<sup>th</sup> of December. Whilst the group was in, the opportunity was taken to conduct some mandatory training such as: OHS; Asbestos Awareness; Fraud and Ethics; Equity and Diversity; and the Steele Barracks Emergency Response plan.

For those who didn't make this session; there will be another scheduled early next year – stay tuned!

Volunteers, AAMME staff and MEHC members.

Also many thanks to WO1 Michele Russell for manning the BBQ – *Top Job!*

Institute of Automotive Mechanical Engineers

iame Tour – 08 Dec 09

Recently, more than 35 personnel from the iame attended the AAMME for a tour. Personnel from this group came from Bulahdelah down to Mittagong. The group was escorted by Wal Hausman and John Busuttil; this is the 3<sup>rd</sup> year that Wal and John have looked after the iame.

Well done Wal and John; also good to see the iame back!

Many thanks to WO1 John Busuttil for the information and pictures to enable the compilation of this newsletter.

Mr John Pendergast is a little "butchers hook" at present; JP take care, get well, we'll see you soon!

To everybody, home and abroad; have a safe Xmas and prosperous New Year. Catch you in 2010.
