"Old School"

On Tuesday 2nd March, the museum hosted a tour from a past group officers. The group were members of the 5 of 60 Regimental Officers Basic Engineer Course. Essentially they were destined for Platoon Commander duties under the National Service Scheme. As they were training, the National Service ranks closed and the lads ended up completing more courses.

Some of the old school members

Truck Fire Fighting, ¾ Ton, GS

This little fellow has been in for some attention and some maintenance.

Below picture

Of course amongst all the work, there are a few light hearted moments and a cup of tea!
